Dear Friends and Loyal Patients:

It's time for a change! We are excited to inform you that we at Newnan Dermatology have decided to change our practice name in order to better reflect our growth outside of the Newnan area. As you may already know, we opened a Peachtree City office in 2014 and are now pleased to announce our new office in Carrollton, opening this fall. Plans for continued expansion have led us to making the decision of rebranding the practice as Avail Dermatology.

We want to emphasize that though the name is changing, the practice is not. Our providers, staff, and services all remain the same. We will continue to accept the same insurance plans. We founded this practice based on a commitment to the highest quality of care above all else, and that commitment will be unchanged as we continue to evolve as Avail Dermatology in the coming months.

Thank you as always for choosing us as your skin care experts. If you have any questions, please contact us at 770.251.5111.

Sincerely,
The Newnan Dermatology Team and Staff
